The original version of the book was inadvertently published without incorporating the following corrections:

In Chapter 10, chapter author's last name was incorrectly captured as "Panovic" ("c" instead of accent character "ć"), which has been now corrected as "Panović".

In Frontmatter, the text "BA in Oriental Philology from the University of Belgrade" has been newly included in "Notes on Contributors" of the author "Ivan Panović" as follows:

"Ivan Panović is an Assistant Professor of Linguistics and Multilingual Studies at Nanyang Technological University, Singapore. He has a BA in Oriental Philology from the University of Belgrade, an MA in Sociology & Anthropology from the American University in Cairo, and a DPhil in Oriental Studies from the University of Oxford. He is the co-author (with Deborah Cameron) of *Working with Written Discourse* (London: SAGE Publications, 2014)."
