Referees and Valedictory

This concludes the seventh volume of the *International Journal of Parallel Programming*. With this issue I complete my service as Editor in Chief of *IJPP*.

I am pleased to report that co-editorship of *IJPP* has been assumed by Uptal Banerjee, David Gelernter, Alex Nicolau, and David Padua. Henceforth, all manuscripts should be directed to:

Dr. David Padua
International Journal of Parallel Programming
University of Illinois
465 CSRL
1308 West Main Street
Urbana, IL 61801-2307
Email: padua@csrd.uiuc.edu

My gratitude is extended to all those who volunteered their time in support of *IJPP* during my editorship. This particularly includes the outgoing editorial board, and Ms. Loretta Cruse, who served ably as my editorial assistant.

Finally, it is my pleasure to acknowledge the many referees who offered their time and well qualified judgments during the past year.

All these are truly "sans pareil."
