WINTER CONGRESS OF INTERNATIONAL BODY IMAGING CONFERENCE

ST. MORITZ, SWITZERLAND: The Second Annual Winter Congress on Computed Tomography and Ultrasonography sponsored by the International Body Imaging Conference will be held January 20-30, 1983, in St. Moritz, Switzerland with scientific sessions January 24-28, 1983. The Congress, offering Continuing Medical Education credits, will present a correlative approach to the principles, indications, interpretations, and results obtained with Ultrasonography and Computed Tomography as well as other imaging modalities where appropriate. An optional post-congress seminar is scheduled for Paris, France, January 30-February 1, 1983. Congress participation by practicing imaging physicians, residents, technologists and corporate personnel is encouraged.

Michael L. Johnson, M.D., Director, Section on Computed Tomography and Ultrasonography at the University of Colorado Health Sciences Center, Denver, Colorado, will coordinate the programs presented by a distinguished international faculty.

Early registration at a reduced fee will be available for one or both meetings prior to November 20, 1982. A special combined meeting fee is also available.

Address inquiries to: Congress Secretary, Second Annual Winter Congress, Department of Radiology, West Park Hospital, 22141 Roscoe Blvd., Canoga Park, CA 91304, U.S.A. Telephone: (213) 340-0580, ext. 280.
