

SOCIÉTÉ NATIONALE FRANÇAISE DE GASTRO-ÉTEROLOGIE**Journées francophones**

THE FRENCH NATIONAL SOCIETY OF GASTROENTEROLOGY is organizing the JOURNEES FRANCOPHONES D'HEPATO-GASTRO-ENTEROLOGIE to be held in Paris from Thursday afternoon, January 19 to Saturday noon, January 21, 1978.
LE QUINTREC Y, M.D. and MAILLARD JN., M.D. Coordinators.

Eight minutes are allowed for each communication to be given in French followed by a 7 minute discussion period.

Papers will be chosen from various topics dealing in Gastro-Enterology, Hepatology, Digestive Endoscopy, Proctology and applied Research.

A 45 minute conference will be held on Friday morning, January 20 after a scientific program and followed by a work luncheon scheduled for 1 p.m.

Summaries should be forwarded before September 10, 1977 to: Pr Y LE QUINTREC, Hôpital Rothschild, 33, Bld de Picpus, 75571 PARIS CEDEX 12. They should not exceed one page in length (25 × 17 cm), be written in French and clearly typed in sharp black characters. Authors are asked to submit 7 copies. The original copy should be headed by a title in capital letters followed by the authors' names and initials. The speaker's name should be underlined. The name of the Department, the Institution or Hospital service where the work was conducted and City and Country should also be included. The remaining 6 copies should be headed by the title only to enable an anonymous selection. Up to 3 references only will be accepted if a bibliography is used.

All papers not chosen by the Committee will have their titles posted so that participants can contact individual authors for private discussions.

Since it is imperative for the organizing Committee to know the exact number of participants and plan for meals; only the auditors having fulfilled the formalities of free inscription in due time will be admitted.

Application forms may be obtained by writing to: Madame CAILLARD, Direction médicale—Laboratoire BIOTHERAX—58 rue du Landy—92312 LA PLAINE SAINT DENIS.
