

Lady Tata Memorial Trust

INTERNATIONAL AWARDS FOR RESEARCH ON LEUKEMIA
AND ALLIED CONDITIONS

Academic Year 1983-1984

The Trustees of the Lady Tata Memorial Trust invite applications for Awards for personal support for research on leukemia, in the Academic Year beginning 1st October, 1983. In view of the affinity between leukemia and other forms of neoplastic disease, candidates with programmes of research on any aspect of malignant diseases which may throw light on problems of leukemia will be eligible for consideration. The Trustees specially wish to encourage studies of the leukemogenic viruses in animals, the epidemiology, pathogenesis, and immunology of leukemia.

Awards are open to suitably qualified investigators of any nationality, working either in their own institutions or in other centres abroad.

Stipends will be adjusted according to the place and Institution at which the work will be done, with provision for annual increments and superannuation if required (Awards in recent years have usually been between £ 5,000 and 10,000).

Awards are tenable for 1 year in the first instance, renewable up to a maximum of 3 years.

Further particulars and forms of application may be obtained by writing to the *Secretary for Europe to the Scientific Advisory Committee, Lady Tata Memorial Trust, Mrs. M. T. Miglierina, Unité 108, Bâtiment INSERM, Hôpital Saint-Louis, 2, Place du Dr. Fournier, 75475 Paris Cedex 10, France.*

Applications must be submitted before 1st March, 1983, and Awards will be announced by the Trustees in June.
