

Editorial

The first issue of *Optoelectronics Letters* is published on 15 July 2005 as the companion to *Journal of Optoelectronics • Laser* (in Chinese). On this occasion, we wish sincerely our readers, authors and reviewers peace, happiness and a glorious future.

Your support and help will be a real source of development and success of this *Optoelectronics Letters*. We would like to express our deepest gratitude!

The chief editor En-Xu BA
Professor of Laser Physics
