

*Erratum***Search for neutral heavy leptons produced in Z decays**

DELPHI Collaboration

Z. Phys. C **74** (1997) 57–71

The CHARM II result was inadvertently misrepresented in Fig. 11. The corrected figure is given below.

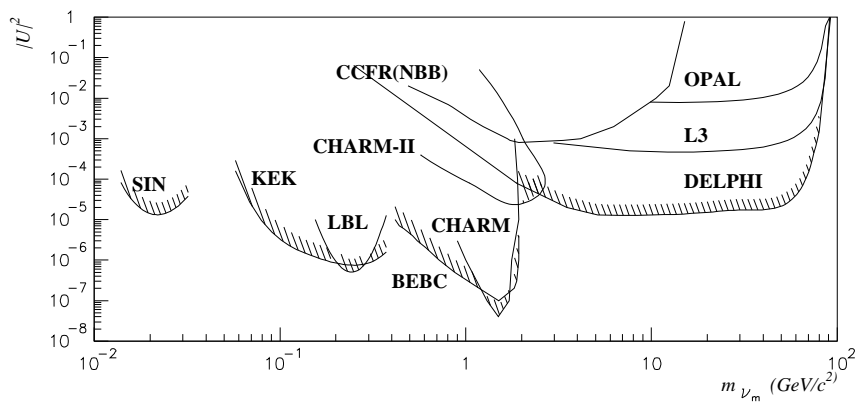

Fig. 11. Limits at the 95% CL on the mixing matrix element $|U|^2$ as a function of the ν_m mass for the various experiments referenced in the text. The limits shown for the present analysis correspond to those obtained combining the short-lived and long-lived ν_m analysis
