Erratum to: J Geod (2011) 85:749–758
DOI 10.1007/s00190-011-0498-3

The title of the manuscript shall be changed to “Mission design, operation and exploitation of the Gravity field and steady-state Ocean Circulation Explorer (GOCE) mission”.

This erratum of the manuscript is needed because internal formatting rules and guidelines led to the name of the GOCE mission being improperly reflected in the article title.

The online version of the original article can be found under
doi:[10.1007/s00190-011-0498-3](https://doi.org/10.1007/s00190-011-0498-3).
