In Volume 102 Issue 3 we published a special issue containing “Selected Papers Presented at the 2010 Spring Meeting of the Quantum Optics and Photonics Section of the German Physical Society”. Unfortunately—due to technical problems—Guest Editor Michael Fleischhauer’s Editorial was accidentally omitted from the printed version though it had been published online before.

The Editorial (DOI [10.1007/s00340-011-4455-x](https://doi.org/10.1007/s00340-011-4455-x)) can now be found following this Erratum.

We sincerely apologize for any inconvenience.
