**Erratum to: J Comp Physiol A**  
**DOI 10.1007/s00359-013-0871-1**

The article “Interactions of the polarization and the sun compass in path integration of desert ants” by F. Leiboldt and B. Ronacher was inadvertently left out of the special issue “Insect Color and Polarization Vision” (*Journal of Comparative Physiology A* volume 200, issue 6).

The editors and publisher of *Journal of Comparative Physiology A* would like to apologize for this oversight.
