Retraction Note: Flow of fractional Maxwell fluid between coaxial cylinders

Published online: 10 May 2012
© Springer-Verlag 2012

**Retraction to: Arch Appl Mech (2011) 81: 1153–1163
DOI 10.1007/s00419-011-0536-x**

This paper has been retracted. Too many duplicate passages have appeared in multiple articles. Professor Fetecau, the only contributor who cooperated with our investigations into this possible case of plagiarism is not involved in practices unworthy of scientists who uphold high academic standards. Many of the publications have been published with him as one of the contributors without his prior knowledge or consent.

The online version of the original article can be found under doi:[10.1007/s00419-011-0536-x](https://doi.org/10.1007/s00419-011-0536-x)
