CORRECTION

Correction to: Estimation of rainfall intensity–duration–frequency curves at ungauged locations using quantile regression methods

D. Ouali[1,2] · A. J. Cannon[1]

Correction to: Stochastic Environmental Research and Risk Assessment
https://doi.org/10.1007/s00477-018-1564-7

The article Estimation of rainfall intensity–duration–frequency curves at ungauged locations using quantile regression methods, written by D. Ouali, A. J. Cannon, was originally published electronically on the publisher's internet portal (currently SpringerLink) on 28 May, 2018 without open access. With the author(s)' decision to opt for Open Choice the copyright of the article changed on 27 August, 2018 to © The Author(s) 2018 and the article is forthwith distributed under the terms of the Creative Commons Attribution 4.0 International License (http://creativecommons.org/licenses/by/4.0/), which permits use, duplication, adaptation, distribution and reproduction in any medium or format, as long as you give appropriate credit to the original author(s) and the source, provide a link to the Creative Commons license and indicate if changes were made.

The original article was corrected.
