The Editor-in-Chief and the publisher have retracted this article. This article was submitted to be part of a guest-edited issue. An investigation concluded that the editorial process of this guest-edited issue was compromised by a third party and that the peer review process has been manipulated. Based on the investigation's findings, the

Editor-in-Chief therefore no longer has confidence in the results and conclusions of this article.

K. Shankar disagrees with this retraction. N. Arunkumar has not explicitly stated whether they agree to this retraction. Mohamed Elhoseny, S. K. Lakshmanaprabu and Andino Maselena have not responded to correspondence regarding this retraction.

**Publisher's Note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
