The Editor-in-Chief and the publisher have retracted this article. The article was submitted to be part of a guest-edited issue. An investigation by the publisher found a number of articles, including this one, with a number of concerns, including but not limited to compromised editorial handling and peer review process, inappropriate or irrelevant references or not being in scope of the journal or

guest-edited issue. Based on the investigation's findings the Editor-in-Chief therefore no longer has confidence in the results and conclusions of this article.

The publisher has been unable to obtain a current email address for authors Seral Özşen, Cüneyt Yücelbaş, Şule Yücelbaş and Gülay Tezel. Authors Serkan Küççüktürk, Mehmet Dursun and Şebnem Yosunkaya have not responded to correspondence regarding this retraction.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s00521-016-2578-z>.
