

ERRATUM

To the article “Absence Seizures as Resetting Mechanisms of Brain Dynamics” by S. P. Nair, P. I. Jukkola, M. Quigley, A. Wilberger, D. S. Shiao, J. C. Sackellares, P. M. Pardalos, and K. M. Kelly, Vol. 44, No. 5, pp. 664–672, September–October, 2008.

During submission, correction of proofs, and production, there was an administrative oversight that failed to include in the acknowledgments that the work was supported in part by the Pennsylvania Department of Health SAP 4100031268 Health Research Formula Fund RFA 04-07-09 to Allegheny-Singer Research Institute (KMK).
