Correction to: Environ Monit Assess (2023) 195:995
<https://doi.org/10.1007/s10661-023-11597-9>

Unfortunately, we have encountered two minor errors in Table 1 and Table 2 of the published article. The errors with corrections are as below:

- 1) The total no. of trees of *Azadirachta indica* are given as 230 in Table 1, which is incorrect **the correct number is 2130**
- 2) The tree species at S.no. 5 in both Table 1 and Table 2 is written as *Ficus racemosa L.*, which is incorrect the correct tree species name is *Ficus benamina L.*
