### Correction to: Feminist Legal Studies

<https://doi.org/10.1007/s10691-023-09522-z>

In the original publication, one of the reference citations (Koshab et al. 2021a) and its additional source of citation (Neilson and Boyd 2020) were swapped in the third paragraph of the section “**Concern for family violence as an overarching objective?**”. The correct order of the citation is provided below.

Specifically, those abiding “‘friendly parent provisions’ should be read in light of the provisions ... that emphasize and require consideration of family violence and that prioritize safety and emotional security and well-being for a child” (Koshan et al. 2021a, section 2.2.4; see also Neilson and Boyd 2020, 8–9).

The original article has been corrected.
