In the original version, the author names found in the article's author byline were presented incorrectly because their given names and family names have been interchanged. The author names were erroneously captured as "Tschare L., Ennemoser A., Carli L, Vaccari E., Feichtinger M." instead of "Lena Tschare, Anna Ennemoser, Luca Carli, Enrico Vaccari, Michael Feichtinger". The original article has been corrected.
