**Correction to: The Protein Journal**  
<https://doi.org/10.1007/s10930-020-09880-6>

In the original version of this article, under the Introduction section in paragraph starting “Some findings of this study...” the “Sect. 10” should be changed to “Sect. 3”. The complete sentence is given below.

“As discussed in Sect. 3 in details, these inconsistencies could be important and make valuable contributions to the secondary structure prediction algorithms.”

This has been corrected by publishing this erratum.

**Publisher’s Note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
