Publisher Correction: Molecular Biology Reports (2019) 46:2567–2575
<https://doi.org/10.1007/s11033-019-04655-4>

This article was inadvertently published twice in this journal. The following should be considered the version of record and used for citation purposes: “Bing Chen, Ya Li, Ruifeng Song, Chen Xue and Feng Xu, Functions of RNA N6-methyladenosine modification in cancer progression, Molecular Biology Reports, Volume 46, Issue 2, pages 2567–2575, <https://doi.org/10.1007/s11033-019-04655-4>”.

The duplicate “Bing Chen, Ya Li, Ruifeng Song, Chen Xue and Feng Xu, Functions of RNA N6-methyladenosine modification in cancer progression, Molecular Biology Reports, Volume 46, Issue 1, pages 1383–1391, <https://doi.org/10.1007/s11033-018-4471-6>” should be ignored. Springer Nature apologizes to the readers of the journal for not detecting the duplication during the publication process.

Publisher’s Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The online version of the original article can be found at <https://doi.org/10.1007/s11033-019-04655-4>
