**Erratum to: J Neurooncol**  
**DOI 10.1007/s11060-013-1072-z**

In the legend included in the artwork of Fig. 3b of the original publication, the interval specifications for the two

curves were incorrect. They should have read ' $\leq 50\%$ ' and ' $> 50\%$ ' for the blue and red curves, resp. (just as they did in the caption to the figure).
