Erratum to Nonlinear Dynamics Volume 45, Nos. 1–2, July 2006

Springer Dordrecht Science and Business Media B.V.,
Dordrecht, The Netherlands

(1) Header lines, appearing in the top left-hand corner of the first page of each article, erroneously as ‘Nonlinear Dynamics (2005)’, should have appeared as ‘Nonlinear Dynamics (2006)’.

(2) DOI numbers printed for several of these articles are also erroneous. The correct DOI number for each affected article is given below.

Please note these changes for the following articles:

A Motion Amplifier Using an Axially Driven Buckling Beam: II Modeling and Analysis

JIE JANG and ERIC MOCKENSTURM

Incorrect DOI: 10.1007/s11071-006-0780-8

Correct DOI: 10.1007/s11071-005-0780-0

Asymptotic Solution for a Kind of Boundary Layer Problem

C. Z. QIAN and J. S. TANG

Incorrect DOI: 10.1007/s11071-006-1067-9

Correct DOI: 10.1007/s11071-005-1067-1

On the Implementation of the Eigen value Method for Limit Cycle Determination in Nonlinear Systems

KARL HEINZ KIENITZ

Incorrect DOI: 10.1007/s1071-006-1435-5

Correct DOI: 10.1007/s11071-005-1435-x

Gradient-Based Identification Methods for Hammerstein nonlinear ARMAX Models

FENG DING, YANG SHI, and TONGWEN CHEN

Incorrect DOI: 10.1007/s11071-006-1850-7

Correct DOI: 10.1007/s11071-005-1850-z

Pseudo Almost Periodic Solutions to a Class of Semi-linear Differential Equations

TOKA DIAGANA

Incorrect DOI: 10.1007/s11071-006-1890-z

Correct DOI: 10.1007/s11071-005-1890-4

Parametrically Excited Vibration of a Timoshenko Beam on Random Viscoelastic Foundation Subjected to a Harmonic Moving Load

D. YOUNESIAN, M. H. KARGARNOVIN, D. J. THOMPSON and C. J. C. JONES

Correct DOI: 10.1007/s11071-006-1460-4

Response of Systems Under Non-Gaussian Random Excitations

G. Q. CAI and Y. SUZUKI

Correct DOI: 10.1007/s11071-006-1461-3

Studies on Bifurcation and Chaos of a String-Beam Coupled System with Two Degrees-of-Freedom

W. ZHANG and D. X. CAO

Correct DOI: 10.1007/s11071-006-2423-5

Nonlinear Responses of a Magnetoelastic Beam in a Step-Pulsed Magnetic Field

EROL KURT

Correct DOI: 10.1007/s11071-006-2426-2
