### Correction to: J Soils Sediments

<https://doi.org/10.1007/s11368-021-03076-w>

The following errors are found in the originally published article:

1. The layout of the Abstract section is not correct in which subheadings are not correctly presented. The subheadings should be in bold and separate from the first word of the sentence.
2. The supplementary material included in the originally published article is not correct. This has been resolved.

The original article has been corrected.

**Supplementary Information** The online version contains supplementary material available at <https://doi.org/10.1007/s11368-022-03141-y>.
