### Correction to: Metacognition and Learning <https://doi.org/10.1007/s11409-022-09319-6>

The original publication of this article contains typographical error in the second page of Table 8 under “Online Extrinsic Motivation” and “Recommendation for those that score under 4.” The original article has been corrected.

“Extrinsic motivation is thought to be more...” has been changed to “Intrinsic motivation is thought to be more...”
