Correction to: International Journal of Mental Health and Addiction
<https://doi.org/10.1007/s11469-020-00343-8>

Readers should note the following correction to this article.

In the last sentence of the section, **The Fear of COVID-19 Scale**, the Cronbach alpha coefficient stated for the Cuban population should be 0.80 rather than 0.87.
