The original publication of the articles cited above included incorrect values in the following parts: in section (A) Cardiovascular surgery, Table 3 “Thoracic aortic aneurysm”, both (1) Dissection and (2) Non-dissection, values in “9. Stent graft\*a”; and in section (B) General thoracic surgery (Respiratory surgery), Table 1 “Total entry cases of general thoracic surgery”, Table 10 “9. Inflammatory pulmonary disease”, Table 15 “9. Operation for non-neoplastic disease (E) Pneumothorax”, Table 20 “10. Lung transplantation”, and Table 24 “14. Combined resection of neighboring organ(s)”.

The corrected versions are shown in the electronic file available from the link below.
