

**RETRACTED ARTICLE:**  
**Wiener model and extremum seeking control for a CO preferential  
oxidation reactor with CuO-CeO<sub>2</sub> catalyst**

**Jea Pil Heo<sup>‡</sup>, Sin Kim<sup>‡</sup>, Hyun Chan Lee, Dong Hyun Kim, and Jietae Lee<sup>†</sup>**

Department of Chemical Engineering, Kyungpook National University, Daegu 41566, Korea  
(Received 2 August 2017 • Revised 30 November 2017 • Accepted 30 December 2017)

The Editor-in-Chief has retracted this article [1] because of significant overlap with a previously published conference paper by the same authors. [2] Jietae Lee agrees with this retraction. Jea Pil Heo, Sin Kim, Hyun Chan Lee and Dong Hyun Kim did not respond to any correspondence about this retraction.
