Other Meetings of Note

Engineering Solutions for Sustainability: Materials and Resources 3 (ESS: M&R) Symposium
February 18–19, 2017
Denver, Colorado, USA

Offshore Technology Conference (OTC) 2017
May 1–4, 2017
Houston, Texas, USA

European Metallurgical Conference (EMC) 2017
June 25–28, 2017
Leipzig, Germany

Seventh International Conference on Very High Cycle Fatigue (VHCF7)
July 3–5, 2017
Dresden, Germany

International Conference on Martensitic Transformations 2017
July 9–14, 2017
Chicago, Illinois, USA

European Congress and Exhibition on Advanced Materials and Processes (Euromat) 2017
September 17–22, 2017
Thessaloniki, Greece

Materials Science and Technology 2017 (MS&T17)
October 8–12, 2017
Pittsburgh, Pennsylvania, USA

18th International Conference on Textures of Materials (ICOTOM18)
November 5–10, 2017
St. George, Utah, USA

TMS 2017

146th Annual Meeting & Exhibition

February 26–March 2, 2017
San Diego Convention Center and
Marriott Marquis & Marina
San Diego, California, USA

Discount Registration Deadline:
January 27, 2017

www.tms.org/TMS2017

- Join the TMS Exhibit Hall in one of our biggest annual meetings yet! View a current floor plan and fill out the online Exhibit Space Reservation Form at www.tms.org/TMS2017Exhibit.
- The deadline to make your hotel reservations through onPeak, the official TMS2017 reservation service, is January 30, 2017. Be sure to book early to get the best hotel selection and room rates.
- Sign up for one of the nine professional development events scheduled in conjunction with TMS2017 on Sunday, February 26. Visit the TMS2017 website for a full list of full-day or half-day offerings.

May 21–25, 2017

Marriott Ann Arbor Ypsilanti
at Eagle Crest

Ypsilanti, Michigan, USA

Registration Opens Soon
www.tms.org/ICME2017

- Confirmed invited speakers at press time include: John Allison, University of Michigan; Julie Christodoulou, Office of Naval Research; Surya Kalidindi, Georgia Institute of Technology; Mei Li, Ford Motor Company; Katsuyo Thornton, University of Michigan; and Chuck Ward, Air Force Research Laboratory.

Environmental Degradation of Materials
in Nuclear Power Systems – Water Reactors

August 13–17, 2017
Marriott Portland Downtown
Waterfront

Portland, Oregon, USA

Registration Opens Soon
www.tms.org/EnvDeg2017

- Plan to attend the latest installment in the conference series designed to foster an exchange of ideas about materials-related problems and their remedies in the water-cooled nuclear power plants of today and the future.
- Great sponsorship opportunities are still available for this conference. For more details on options and rates, contact Caron Gavrish, TMS Sales Specialist, at exhibits@tms.org.

September 10–13, 2017

Philadelphia, Pennsylvania, USA

Abstract Deadline:

January 11, 2017

www.tms.org/LMPC2017

- The 2017 Liquid Metal Processing & Casting Conference (LMPC 2017) is a unique event that showcases the latest technological and scientific advances related to those industrial processes used to cast large ingots of highly alloyed metals.
- Keep up with your colleagues and hear the latest developments in primary and secondary melt processing, including vacuum induction melting (VIM), vacuum arc remelting (VAR), electroslag refining (ESR), and electron beam cold hearth remelting (EBCHR).
