## Correction to: Current Hypertension Reports

<https://doi.org/10.1007/s11906-024-01296-2>

The article “Management of Pulmonary Hypertension in the Context of Heart Failure with Preserved Ejection Fraction”, was originally published electronically on the publisher’s internet portal on 1 April 2024 without the Central Figure displayed in the main text. This was mistakenly captured as graphical abstract.

The original article has been corrected.

**Publisher's Note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
