<https://doi.org/10.1007/s12010-024-04952-0>

The original online version of this article has been revised.

The surname of the sixth co-author has been written as follows: Abedelouhab. This mistake is on the part of the first author who was responsible for checking the names and affiliations of the co-authors.

The correct surname of the sixth co-author is Abdelouhab.

In addition, Dr. Katia Abdelouhab also indicated an error in her affiliation as well, indicated in the article: <sup>4</sup>Laboratory of Applied Biochemistry, Department of Biology, Faculty of Sciences, University Abderrahmane Mira, Bejaia, Algeria, which is also partly incorrect.

The correct affiliation is Laboratory of Applied Biochemistry, Faculty of Nature and Life Sciences, University Abderrahmane Mira, Bejaia 06000, Algeria.
