Correction to: Biological Trace Element Research

<https://doi.org/10.1007/s12124-020-09523-6>

The original version of this article unfortunately contained a mistake. The first sentence under the header “Robots as Partners” should read as:

Tools, Yıldız (2019) says, are the by-products of solutions humans produce for social interaction.

The original article has been updated.
