

**LETTERS**

Dear Friend:

Please come forward to help us with opportunities that can empower people—those who are disabled, both economically and socially. We are poor, children, young, adult, blind, deaf-blind, partially-sighted, physically handicapped and visually impaired persons.

All type of literature, regular journals and general interest, including religious subjects, shall be helpful for gaining our knowledge and experience, such as any kind of used Braille, large print, print and cassette books, magazines and journals. Braille writing paper, paper/frame, Braille print computer/type-writer, Braille translator/photocopier, Parkins Brailier, cassette player/recorder, talking watch/calculator, whitestick, spectacles frames and any kind of used materials and equipment for disabled people, please send them to us.

Our mailing address: Mr. M. Milon, Secretary, Dustha, Juba-O-Pratibandhi Kallyan Sangstha, 12-E, 5/6, Mirpur, Dhaka 1221, Bangladesh.

We would be grateful for your kind donation of used books, magazines, journals, materials and equipment by surface mail under the title, "Free matter for blind or handicapped." Donations of money by credit card, cheque or money order are also welcomed.

Should you not be in a position to help us, we would be grateful if you could recommend other organizations that may be interested in helping us. We shall look forward to your kind response.

Sincerely yours,

Mr. M. Milon  
Secretary and chief librarian

*Ageing International is publishing this letter, which noted at its heading that it was "Approved by government of People's Republic of Bangladesh", to inform members and readers who may have appropriate used materials and other resources to offer.—JLH*
