Correction to: Journal of Cardiovascular Translational Research (2021) 14:377–385
<https://doi.org/10.1007/s12265-020-10061-0>

Due to an error during the production process, Tables 2 and 3 as submitted had the median on one row and the quartiles on the row below, but the formatting of the tables in the article as originally published accidentally merged them together.

The original article has been corrected.
