Correction to: Race and Social Problems

<https://doi.org/10.1007/s12552-023-09401-x>

In this article the title was incorrectly given as “Does Resilience and Social Support Moderate the Association Between Race-Related Stress Black Women's Reports of Trauma Symptoms?” but should have been “Do Resilience and Social Support Moderate the Association Between Race-Related Stress on Black Women's Reports of Trauma Symptoms?”

The original article has been corrected.
