Unfortunately, the second author name, funding note and acknowledgment are published incorrectly in the print published article. The correct second author name is Mohamed Bechir Ben Hamida, and the correct funding and acknowledgments are given below.

Acknowledgements The authors extend their appreciation to the Deanship of Scientific Research at King Khalid University for funding this work through the research group program under Grant Number R.G.P.1/141/40. The investigation presented in this article was conducted as part of the development of the research project at higher institute. Higher College of Applied Sciences and Technologies of Kairouan (ISSAT KAIROUAN), University of Kairouan-Tunisia.

Funding This research was funded by the Deanship of Scientific Research at King Khalid University, Grant Number R.G.P.1/141/40.
