## Correction to: Advances in Traditional Medicine

<https://doi.org/10.1007/s13596-023-00689-z>

In this article, authors would like to make corrections in the abstract text and Table 2.

In Abstract:

The line should read as ‘The current study sought to review relevant ethnomedicinal information which was extracted from relevant books, journals and theses that were published before March 2021.’

In Table 2:

The reference (2004) should be written as Gisesa (2004) throughout the Table 2.
