Erratum to: CNS Drugs DOI 10.1007/s40263-017-0417-0

An Online First version of this article was made available online at <http://link.springer.com/journal/40263/onlineFirst/page/1> on 04 April 2017. An error was subsequently identified in the article, and the following correction should be noted:

Page 5, column 2, section 3.1, paragraph 2, lines 1–2:
The following sentence, which previously read:

“The average (SD) age of the study population was 38 (SD) years.”

Should read:

“The average (SD) age of the study population was 38 (17) years.”

The online version of the original article can be found under doi:[10.1007/s40263-017-0417-0](https://doi.org/10.1007/s40263-017-0417-0).
