After the publication of our article “Influence of P₂O₅ addition on glass structure and luminescent properties of Eu³⁺ ions in SiO₂–CaO particles of bioactive glass”, we became aware that one author, Iga Jakobowska (Institute of Low Temperature and Structure Research, PAS, ul. Okolna 2, 50-422, Wrocław, Poland & Faculty of Chemistry, Wrocław University of Science and Technology, ul. Norwida 4/6, 50-373 Wrocław, Poland), had been omitted. The correct authorship list should be as follows:

Beata Borak, Jolanta Szczurek, Katarzyna Halubek-Gluchowska, Iga Jakobowska & Anna Lukowiak.

The Acknowledgements section should now read as follows:

“The authors would like to acknowledge E. Bukowska, D. Szymanski, and A. Baszczuk for their help in experiments and measurements. Data presented in the article were part of Iga Jakobowska’s Master’s Thesis, “Luminescent properties and biological activity of nanosized SiO₂–CaO glasses doped with Eu³⁺ and Dy³⁺ ions”, Wrocław University of Science and Technology, 2019”.

The original article can be found online at <https://doi.org/10.1140/epjp/s13360-023-04849-7>.
