Erratum to: Detecting gene signature activation in breast cancer in an absolute, single-patient manner

E. R. Paquet^{1,2†}, R. Lesurf^{1,2†}, A. Tofigh^{1,2,3}, V. Dumeaux^{1,2,3} and M. T. Hallett^{1,2,3*}

Erratum

This article [1] has been updated to correct an abbreviation. DART is an abbreviation of 'Denoising Algorithm using Relevance network Topology' and not 'Diversity arrays technology (DART)', as previously stated in the article. The abbreviation has been changed in two places; In the abbreviations section and in the first paragraph of the backgrounds section.
