Correction: Prehabilitation of elderly frail or pre-frail patients prior to elective surgery (PRAEP-GO): study protocol for a randomized, controlled, outcome assessor-blinded trial

Stefan J. Schaller¹, Jörn Kiselev¹, Verena Loidl², Wilm Quentin³, Katrin Schmidt¹, Rudolf Mörgeli¹, Tanja Rombey³, Reinhard Busse³, Ulrich Mansmann², Claudia Spies^{1*} and on behalf of the PRAEP-GO consortium, PRAEP-GO investigators

Correction: Trials 23, 468 (2022) https://doi.org/10.1186/s13063-022-06401-x

Following publication of the original article [1], it came to the authors' attention that, as a result of the names of the PRAEP-GO investigators not being detailed in the Acknowledgements declaration (they were only provided in additional file 1), the names of these investigators were not showing in PubMed. The article has subsequently been updated to add the names of the investigators to the Acknowledgements.
