Correction to: Turtle remains from the late Miocene of the Cessaniti area, southern Italy—insights for a probable Tortonian chelonian dispersal from Europe to Africa

Georgios L. Georgalis^{1*}, Gianni Insacco², Lorenzo Rook³, Filippo Spadola^{2,4} and Massimo Delfino^{1,5}

Correction to: *Swiss J Palaeontol* (2020) 139:1

<https://doi.org/10.1186/s13358-020-00202-y>

In the Acknowledgements in the original published article (Georgalis et al. 2020), we thanked by mistake Antonella Cinzia Marra as follows: “We thank [...] A.C. Marra (Messina) for discussion and field work at Cessaniti”. Under request of Antonella Cinzia Marra (University of Messina), the authors specify that the discussion and the field work at the Cessaniti Site she has been involved with were not related to this research.

Hereby we remove this acknowledgement and the first sentence of the acknowledgement has to be read as:

“We thank P. Carone (Tropea) and P. Mazza (Firenze) for discussion and field work at Cessaniti and the late Angelo Varola (Lecce) for the preparation of MSNC 4594.”

In the section “Author details” the second affiliation of the last author, Massimo Delfino, is incomplete and it should be modified as follows:

⁵Institut Català de Paleontologia Miquel Crusafont, Universitat Autònoma de Barcelona, Edifici ICTAICP, Carrer de les Columnes s/n, Campus de la UAB, 08193 Cerdanyola del Vallès, Barcelona, Spain.

The original article can be found online at <https://doi.org/10.1186/s13358-020-00202-y>.
