

ERRATUM

Open Access

Erratum to: Biodegradation of total petroleum hydrocarbons from acidic sludge produced by re-refinery industries of waste oil using in-vessel composting

Alireza Asgari¹, Ramin Nabizadeh¹, Amir Hossein Mahvi^{1,2}, Simin Nasser^{1,3}, Mohammad Hadi Dehghani¹, Shahrokh Nazmara¹ and Kamyar Yaghmaeian^{2,1*}

Erratum

Following publication of this article [1], it has come to our attention that the affiliations were captured as:

¹ Center for Solid Waste Research (CSWR), Institute for Environmental Research (IER), Tehran University of Medical Sciences (TUMS), Tehran, Iran.

² Department of Environmental Health Engineering, School of Public Health, Tehran University of Medical Sciences, Tehran, Iran.

³ Center for Water Quality Research (CWQR), Institute for Environmental Research (IER), Tehran University of Medical Sciences (TUMS), Tehran, Iran

However, the correct affiliations should be as following:

Alireza Asgari

Department of Environmental Health Engineering, School of Public Health, Tehran University of Medical Sciences, Tehran, Iran, Email: asgari.alirezaa@gmail.com

Ramin Nabizadeh

Department of Environmental Health Engineering, School of Public Health, Tehran University of Medical Sciences, Tehran, Iran, Email: rnabizadeh@gmail.com

Amir Hossein Mahvi

Department of Environmental Health Engineering, School of Public Health, Tehran University of Medical Sciences, Tehran, Iran

Center for Solid Waste Research (CSWR), Institute for Environmental Research (IER), Tehran University of Medical Sciences (TUMS), Tehran, Iran, Email: ahmahvi@yahoo.com

Simin Nasser

Department of Environmental Health Engineering, School of Public Health, Tehran University of Medical Sciences, Tehran, Iran

Center for Water Quality Research (CWQR), Institute for Environmental Research (IER), Tehran University of Medical Sciences (TUMS), Tehran, Iran, Email: naserise@tums.ac.ir

Mohammad Hadi Dehghani

Department of Environmental Health Engineering, School of Public Health, Tehran University of Medical Sciences, Tehran, Iran, Email: dehghanihadi6@gmail.com

Shahrokh Nazmara

Department of Environmental Health Engineering, School of Public Health, Tehran University of Medical Sciences, Tehran, Iran, Email: snazmara@gmail.com

Kamyar Yaghmaeian

Center for Solid Waste Research (CSWR), Institute for Environmental Research (IER), Tehran University of Medical Sciences (TUMS), Tehran, Iran

Department of Environmental Health Engineering, School of Public Health, Tehran University of Medical Sciences, Tehran, Iran

*Corresponding Author: Email: kyaghmaeian@gmail.com, Tel.: +98 912 3311992

* Correspondence: kyaghmaeian@gmail.com

²Center for Solid Waste Research (CSWR), Institute for Environmental Research (IER), Tehran University of Medical Sciences (TUMS), Tehran, Iran

¹Department of Environmental Health Engineering, School of Public Health, Tehran University of Medical Sciences, Tehran, Iran

Full list of author information is available at the end of the article

Author details

¹Department of Environmental Health Engineering, School of Public Health, Tehran University of Medical Sciences, Tehran, Iran. ²Center for Solid Waste Research (CSWR), Institute for Environmental Research(IER), Tehran University of Medical Sciences (TUMS), Tehran, Iran. ³Center for Water Quality Research (CWQR), Institute for Environmental Research (IER), Tehran University of Medical Sciences (TUMS), Tehran, Iran.
