Correction to: Memory & Cognition

<https://doi.org/10.3758/s13421-021-01150-9>

The values for **Personal goals** were placed alongside the column headings instead of under the column headings in Table 8 in this article as originally published.

The original article has been corrected.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
